KRYPTON SHORTS

SIZE: 26 - 40 EUR

ALL MOUNTAIN / CROSS COUNTRY

A very lightweight short ideal for summer trail riding, the Krypton Short has comfort and convenience in equal measure. An elasticized waist affords a customizable fit while double seam reinforcements and a PU coating add to its overall durability.

KRYPTON SHORTS KEY FEATURES:

- Ultra-lightweight and sturdy main material construction from PU-coated poly-fabric which is quick-drying and durable.
- Double seam reinforcements throughout increase durability of garment.
- Elasticized waist belt for fit that follows the contours of the individual's body shape.
- Zip and double snap button on the front for safe and easy closure.
- Lateral side pocket include zips for secure and convenient storage.
- Internal flat snap adjustment system allows connection of Alpinestars mesh lining shorts as accessory upgrade.
