## PATHFINDER SHORTS

SIZE: 28 - 40

ALL MOUNTAIN

Light and rugged the Pathfinder short features a technical, multi-panel construction and stretch rip-stop for a performance fit. Comfort details such as the seamless seat panel and the mesh waist lining are designed to enable you to stay out on the trails for longer.

### PATHFINDER SHORT KEY FEATURES:

- Technical, multi-panel construction incorporating an advanced stretch rip-stop poly-fabric for maximized performance and comfort.
- Elasticized poly-fabric rear yoke for added maneuverability in the riding position.
- Seamless construction on the seat area for greater comfort.
- Soft mesh inner waist belt for comfort.
- Adjustable waist with front double snap closure and zip offers a highly customized fit.
- Stretch mesh ventilation inserts offer cooling performance in hot conditions.
- Hand pockets plus deep zippered pocket on right-hand thigh for safe and convenient storage.
- Removable moisture wicking inner liner featuring double density EVO chamois crotch padding.
