## SIROCCO JACKET

SIZE: S - 2XL

ENDURO / ALL MOUNTAIN APPAREL

---

The Sirocco Jacket is ideal for cyclists seeking a lightweight, weatherproof outer layer for those times when the weather turns for the worse. An active ventilation system ensures the jacket can be worn without compromising comfort.

---

### SIROCCO JACKET KEY FEATURES:

- Constructed of thin, lightweight, twin-layer windproof and water resistant fabric for the ultimate in weather protection.
- Ripstop fabric reinforcements on the shoulder and elbow for enhanced durability.
- Innovative active ventilation on the back is designed to allow efficient airflow even when wearing a back pack.
- When not in use, the jacket can be packed into its own stowage pocket for convenient transport.
- Elasticized wrist ensures a secure fit.
- Reflective piping and printing increases rider visibility in dark conditions.
- Chest pocket with waterproof zipper keeps your belongings dry.
- Regular fit.
